ST. JOSEPH'S HOSPITAL
SCHOOL OF NURSING

2024

2023 Alumna of the Year

It is an honor and a privilege to be able to award the Alumna of the Year Award to this recipient. After her graduation from the St. Joseph's Hospital School of Nursing, this alum dedicated her career as a nurse at St. Joseph's Hospital.

This recipient has always remained passionately involved with our beloved alma mater. She has and continues to serve on the Board of the Alumni Association in several positions. She is the wind beneath the wings of many people in our community, and one of St. Joseph's Hospital School of Nursing's most active and deserving graduates.

This year's recipient of Alumna of the Year has long career impacting the lives of her patients and those fortunate enough to work with her. This deserving graduate has also given immeasurable time and effort to the Josh Palmer Fund, raising hundreds of thousands of dollars for our community to help those suffering from cancer. The lives that she has touched through her efforts with the Josh Palmer Fund are nothing less than incredible.

She truly embodies all that we hope and aspire to be in our lives as nurses and change agents in our communities. It is with great pleasure that we award Mary Palmer this year's Alumna of the Year!

Thank you from Mary Palmer

I truly am speechless & humbled. I never thought doing something you have would generate such recognition. I will be forever grateful.

Mary P.

2022 - 2023 Alumni Board

Message from the President

Dear Alumni,

It was so great to be able to have our Alumni Banquet in 2023, after two years without a banquet. The Banquet was a success with many alumni attending.

We also had our Harvest Gathering with local Alumni in attendance. It was a great time and we had our annual meeting at this event.

Please consider attending the 2024 Banquet and Harvest Gathering. We would love to see you.

We have a projected timeline for the future of our Alumni Board, please note it in this newsletter on page 13. This plan is not set in stone, but most of the Board have been on for a very long time and we need new blood to take our places. Please think about how you could help to continue our Alumni Board.

We continue every year to contribute to the Sisters of St Joseph. We also donated two new keyboards to the SNF floor at St Joseph's. We were able to get them delivered before Easter 2023, so they had them for their religious services. The residents were so thankful.

We continue to attend our deceased alumni's funerals and memorial services.

The families really appreciate our attendance. If anyone would like to use the sashes, please notify me, Mary Sue Skelly at 607-739-0956 or jskelly@stny.rr.com.

Thank you to all who have donated. Your donations help us pay our bills and to be able to continue to give. Please consider donating, it would be greatly appreciated.

Through the Foundation we have an Education Fund. We were able to send two RNs from the BSU at St. Joseph's to their Annual Conference in 2023. These nurses are very dedicated and we are happy we could help them out.

We hope the website has been informative and has helped in finding classmates. Please notify us regarding address changes and deaths of classmates through the contact form on our website.

Please note our revisions of the By-Laws, on page 13, that will be voted on at the Harvest Gathering general meeting in October. The Constitution and By-Laws are on the website.

We now have a Facebook page! It is private. If you would like to join you just have to answer a few questions so we can check to make sure you are in our database.

Our Corresponding Secretary, Rosie Warner, sends cards to families of deceased alumni, alumni who have had deaths in their families, and to alumni who are ill or having surgery. Thank you Rosie for a job well done.

In closing, I would like to thank all for your continued support and generosity.

Please keep the Board and all alumni in your prayers.

God bless.

Sincerely,
Mary Sue Gedatus Skelly

Dolores Salafia Boedicker '57 Spotlight

The St Joseph's School of Nursing Alumni Association would like to thank Dolores Salafia Boedicker, class of 1957 for her years of service as treasurer of the Alumni Board. Dolores's keen business sense and mathematical skills provided our alumni Association with much financial security and a concise monthly financial report at every monthly board meeting.

Dolores has enthusiastically shared her other talents with our alumni. For 20+ years, Dolores has worked at the greeting and ticket tables at our harvest gatherings and our spring banquets. Dolores worked tirelessly with other alumni in the development and installation of the St. Joseph's Graduate Nurses' and the Military Nurses' plaques. She personally

developed the nursing cap pendants/chains, working with local jewelers. She helped alum Maggie Dean Lagonegro develop the Nursing Pin Bank Program. One of Dolores's most creative projects, was the development of the alumni wooden plaques of St. Joseph's Hospital and the Dunn Memorial, Providing special memories to Alumni and a moneymaker for the Alumni Association.

Dolores has taught alum Stephanie Mitchell '75 the Treasurer duties. Dolores is continuing to serve on our Alumni Board as a board member.

We are so thankful to Dolores for her years of service as our treasurer and look forward to continuing to work with her on the board, as she now serves as a board member.

Mary Alice Manning Clark '54 Spotlight

We wish to thank Mary Alice Manning Clark, class of 1954, as she retired from the SJH School of Nursing Alumni Board Oct. 2023. She has served on the Board for countless years.

Mary Alice worked on the Board doing many activities and always with her warm smile and her kind heart! Mary Alice helped organize the alumni sashes worn at the funerals of our alumni and has attended services of many of our alumni gone before us.

Mary Alice helped celebrate our annual Alumni Spring banquets and Harvest Gatherings by working at the ticket tables, making the decorative St. Joseph's nurses caps gracing our tables, helping with other festive decorations and getting the wine donations for our door prizes.

Mary Alice has always been gracious in accepting any task requested. We will miss her at the meetings and planning activities, but will look forward to seeing her at future Alumni gatherings.

Mary Alice said "I have enjoyed many wonderful memories of serving on the board with all the wonderful people I worked with at the meetings and events. And it was fun going to Mary Sue's cottage!"

God bless Mary Alice. We send many heart-felt thanks for the years of service to our Nursing Alumni! We will look forward to seeing Mary Alice in May as she will be celebrating her 70th anniversary with her class at the Spring Banquet 2024!

Treasurer's Report

Stephanie Krusen Mitchell '74

The Alumni Association is happy to announce that Stephanie Krusen Mitchell '74 is now our treasurer.

The Board continues to support our three major yearly endeavours - the Harvest Gathering, the Annual Newsletter, and our Alumni Banquet. Your continued support as alumni has enabled us to make an annual donation to the Sister's of St. Joseph's of Rochester in appreciation for all the lives they have touched. This year, we sponsored the purchase of two keyboards for our long term care residents on the third and fifth floor of St. Joseph's. (Thanks M.T.F. alums for the great idea.)

Checks made payable to St. Joseph's Hospital Alumni Association, and designated "General Fund" support these endeavors.

As always, continuing educational opportunities for our nurses are an important focus for the Board. Monies donated to the Alumni Education Fund help defray costs of educators and speakers at our functions. It also helps nurses to attend state/national conferences to assist with their continuing education to enhance their nursing practice. Those donations should be designated as "Nursing Education" on checks and made payable to St. Joseph's Hospital Alumni Association.

PLEASE NOTE, To avoid delayed delivery, ALL checks & correspondence should be mailed to:

Stephanie Mitchel, SJHSN Alumni Treasurer

101 Hilton Drive

Horseheads, NY 14845

(Please do not send to St. Joseph's Hospital)

Annual alumni dues depend on the year one graduated and a Lifetime Membership is awarded after 25 years of payment. If you have any questions about your dues status or have a change of address, please notify me at 607-426-5914 or at krumit50@yahoo.com.
